MARCH

Birthdays

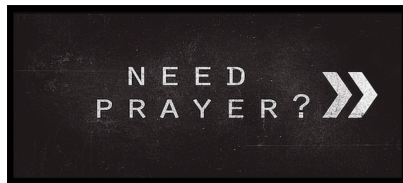

Sacred Spaces
John 2:13-22

One of the mixed blessings of the Covid19 pandemic is that God's people now have multiple opportunities for worship every week. Not only do we have multiple opportunities, but we also literally have thousands of choices. With an internet connection or a cellphone, we can point and click our way to a church a few minutes away or one on the other side of the world. It is truly a new age for the Christ's church, and a wonderful chance for us to experience a different style of worship than what we might be used to at the church we call our own. However.....

- Jesus is the _____ of our worship and the _____ of our worship.
- Worship moves us from _____ to a place nearer to God.
- We will be overwhelmed by _____ when we love the _____.
- We _____ by crucifying our own selfish desires and doing God's will.
