**One Book Many Opinions Part 1**  
Galatians 1:1-12

People today have a greater opportunity and ability to discover and share the timeless truth of the Scriptures than at any time in the history of the world. The paradox is that we also live in an age where the truth and infallibility of the Scriptures are less known than at any other time in human history. Holiness and righteousness demand that must change.

- God's Word is the \_\_\_\_\_ and final \_\_\_\_\_ on matters of faith.
- The problem is that people tend to follow what we \_\_\_\_\_, rather than what God \_\_\_\_\_.
- The gospel is a divine \_\_\_\_\_ of truth and grace.
