Pass the Salt!
Mathew 5:13-16

Salt and light are essential to sustain life. They are so important that Jesus used them to illustrate Biblical truth as he preached to the multitudes on the side of the mountain that day. Salt is one of those things we don't miss until our doctor puts us on a low salt diet or we have to navigate a slippery sidewalk or highway. It is surely one of the most important things our body needs to stay alive and healthy.

- A society without _____ is like food without salt.
- In Biblical terms, salt is the mission to _____ and _____ God.
- Jesus is relying upon His _____ to be the salt of the earth.
