We Know....  
Revelation 5: 11-14

The Book of Revelation, or more accurately the Apocalypse of Jesus Christ, is surely one of the most popular books of the Bible. In Biblical terms the word apocalypse refers to the uncovering of something hidden, specifically the disclosure of things divine previously hidden from humanity. And though this last book of the Bible does reveal a large glimpse of God's glory, God has designed some portions of it to be appreciated and pondered rather than fully understood.

- \_\_\_\_\_ brings us hope and helps us to overcome despair and discouragement.
