Luke 13: 10-17

The Sabbath is a holy day, a day set apart for God, and it is also a day for God's people to set the cares of the world aside and allow our bodies to heal from the stress and wear and tear of the week. Without Sabbath, stress and fatigue are certain to take its toll on us as individuals, which then takes its toll on society and culture. Sabbath and healing go together, in more ways than one.

- Sabbath is a time to _____ God for his _____ and _____.
- True Sabbath always involves _____.
- Jesus brings us Sabbath _____, the promise of _____.
