The Cure for Itching Ears
2 Timothy 3:14- 4:5

As with the writings of the prophet Habakkuk, the letters that Paul wrote to his young understudy named Timothy sound so familiar that they could have been written to us last week. Even though we live in an age of immense information and ample opportunities for education, people appear to be more biblically illiterate than at any time in human history. Itching ears may sound harmless enough but it is a deadly infirmity that is quite contagious.

- Itching ears can _____ our _____.
- The _____ helps us to recognize things that are not true.
- The _____ of _____ is the only cure for itching ears.

New copies of The Upper Room are in the Narthex. Please take one!
