The Wisdom of the Spirit
1 Corinthians 2:1-16

We would agree that education is vitally important in all cultures and societies. Unless people know how to read, write and do simple arithmetic, the ability to communicate, earn a living and manage our finances is severely hindered. However, even the most educated of the world will go astray without a different kind of knowledge, a better kind of knowledge, a supreme kind of knowledge. The Scriptures refer to it as the wisdom of God.

- Knowledge that comes from _____ is powerless to solve _____.
- Jesus teaches us to be a _____ person, and the Holy Spirit teaches us to be a person.
- The wisdom of the Holy Spirit brings us power to change _____ and _____ for the good.
